

## Advances 2026 Abstract Submission

Present your research work at the 2026 Annual conference of the TRIVANDRUM OBGYN

CLUB Delegates will get the opportunity to present their research work during the conference.

There are three categories for presentations:

### 1. Dr. VI Nalini Memorial Presentation Gold Medal for Best Original Research Paper

Guidelines:

- Interested delegates should already be registered for the Advances 2026 conference at the time of submission.
- Participants should submit Abstract (abstract with Introduction, Methods with statistics, Results, Discussion, Disclosures and References) for consideration under the gold medal category.
- Papers should NOT be published in any journal.
- Each presentation will be for 8 minutes+ 2 minutes of discussion
- The entire paper will be reviewed by the panel of judges and scored to decide the winner
- The Top will get the opportunity to present the selected research paper during the conference
- Submissions must include Abstract (PDF) and Presentation (PPT) in separate formats.
- **Open to all delegates, Age less than 35 years**
- **The deadline for submission is 31<sup>st</sup> March 2026**

### 2. Dr. Shanta Madhavan Memorial Free Paper Presentation Open to all delegates:
